

Citizen Of The Week

MAREN DURTSCHI

"Citizen of The Week." A special citation given to outstanding individuals by recognition in the Wasatch Wave, who in the eyes of another citizen has given of themselves or of their resources, a display of citizenship above that which is expected.

We honor Maren Durtschi this week

Maren is especially known for devotion to her profession as the Community Health Nurse.

As a devoted public servant, Maren has made herself available for many people who are in need of her services. Maren provides very needed instruction in home nursing care, whether it be for the aged or a new mother.

Other services that are provided by her are in every occasion provided in a friendly and a very professional manner.

To name a few of the services and organizations Maren belongs to, she is a member of the Wasatch Committee for Services for the Handicapped, Board of Health, Timpanogos Community Mental Health Center Advisory Council and the Wasatch County Council on Aging. She is also active in church and community affairs.

Above everything else, Maren is noted for her very special qualities. Maren is noted for always being available to assist in any way, to comfort, instruct and encourage the ill and the needy.

Maren spends many hours after her long days work and on weekends calling on those who need assistance and a word of encouragement. She has the very special qualities of always being understanding, sympathetic, knowledgeable and always available.

It is said of Maren, "She is a true angel of mercy—a real credit to her profession and to the community."
